Town: Warsaw

Country: Poland

Place: University of Warsaw, Dobra 55, Room 0.410 and National Ethnographic Museum, Kredytowa 1, Cinema Hall

Start date: 09-06-2025

End date: 11-06-2025

The conference will be a materialization of the network of intellectual inspirations and research collaborations that have established who we are as individual researchers and as an institution of learning. We want to show the directions in which we moved, theoretically and spatially, and remind ourselves of the intellectual kinship and debts we have incurred. We call for more solidarity and togetherness in a neoliberal era of competing and accountability. We thus follow the idea of convivial anthropology, an endeavour which proposes cooperation, collegiality and connectivity across different topics, areas, and regions.

The conference is open to all. Please register: [link](#) [2]
