Opening speeches from:

- dr Zuzanna Bogumińska & dr Iwona Kaliszewska (Institute of Ethnology and Cultural Anthropology, University of Warsaw),
- prof. Joanna Wawrzyniak (Centre for Research on Social Memory, University of Warsaw),
- prof. Catherine Wanner (Penn State University),
- prof. Martin Schulze Wessel (Ludwig Maximilian University of Munich)

The conference was organized by the Institute of Ethnology and Cultural Anthropology and the Center for Figurative Research of the Faculty of Sociology, University of Warsaw, and the Institute of Archaeology and Ethnology of the Polish Academy of Sciences. The event is funded by the international grant "Post-secular approach to memory processes in Central-Eastern Europe" funded by the Visegrad Fund ID 22230096 and the "Excellence Initiative – Research University" program of the University of Warsaw. Conference partners were the Center for Research on Social Memory (University of Warsaw), the Working Group on Lived Religion (Penn State University), and the KFG "Universalism and Particularism in European Contemporary History" (LMU Munich).
