Between Giants – International Summer School

Posted on: 17-09-2025

On 8–13 September, our Institute co-organized the international summer school “Between Giants: Local Responses to Global Power Dynamics. Eastern Europe, Caucasus and Central Asia.”

Students from all over the world – from Mexico to Japan – came together to reflect on the consequences of life between empires. The program included lectures, field trips, museum visits, and discussions of participants’ papers.

The summer school was co-organized by Zuzanna Bogumi?, and among the keynote speakers were Iwona Kaliszewska and Margaret Comer from our Institute.

We would like to thank all participants for the inspiring discussions and the unforgettable atmosphere!
