About SIEF 2017

The 13th international SIEF congress will take place in Göttingen, 26-30 March 2017. For this first SIEF congress in Germany, we expect over 700 ethnologists, folklorists, anthropologists and researchers from related fields for four days of stimulating keynotes, parallel panels, poster sessions, audio-visual presentations, book exhibit and social events. The congress opens up to investigation the myriad ways of dwelling. We invite delegates to join this conversation, deepen it fruitfully for our disciplines and explore cooperation with areas of practice and art, present their research, listen, debate, and work out differences, hatch projects, cultivate friendships, and move our fields forwards.
