Data rozpoczęcia: 19-09-2018

Data zakończenia: 22-09-2018

Zgłoszenia do: 01-06-2018

VANDA (Vienna Anthropology Days) is an international conference, taking place in the beautiful capital of Austria, which aims to bring together scholars from various fields of anthropology, social sciences and humanities.

VANDA is meant to be more than a mainstream conference. It includes an interactive Young Scholars' Forum, where graduate students can network, receive mentoring and practical advice from experienced researchers. Apart from the classic conference formats session organizers are free to introduce their own creative formats.

VANDA is a green, socially inclusive conference and offers a unique social activity program. We are looking forward to meeting you at inspiring sessions and exciting social activities. For further information please see our homepage and the attached file.
